

OCEAN STATE PROTECTION GROUP

Comprehensive Security Consulting & Risk Assessment Proposal

Serving The Rhode Island Community

EXECUTIVE SUMMARY

Ocean State Protection Group is a Rhode Island-based security consulting firm specializing in the protection of private schools, religious institutions, and community organizations. Our mission is to provide professional, proactive security solutions that enhance safety while preserving the welcoming environments essential to educational and faith-based settings.

Staffed by former law enforcement officers and military veterans, Ocean State Protection Group delivers a level of experience and operational capability that exceeds traditional security providers. Our approach emphasizes prevention, preparedness, and coordinated response, ensuring that our clients are equipped to effectively manage both everyday security concerns and critical incidents.

COMPANY OVERVIEW

Ocean State Protection Group was founded to address the growing need for professional, specialized security services within schools and religious institutions. Our team combines decades of experience in:

- Law enforcement operations
- SRT and tactical response
- Military force protection
- Active threat response and training
- Emergency preparedness and planning

We provide a consultative, professional approach, focusing not only on identifying vulnerabilities but delivering practical, actionable solutions.

OCEAN STATE
PROTECTION GROUP

METHODOLOGY & APPROACH

Our assessment process is structured, professional, and tailored to each client:

1. **Initial Consultation**

- Identify client needs, concerns, and priorities

2. **On-Site Assessment**

- Comprehensive walkthrough of all facilities
- Observation of daily operations

3. **Stakeholder Interviews**

- School leadership and key personnel

4. **Risk Analysis**

- Identification and prioritization of vulnerabilities

5. **Report Development**

- Detailed written report with actionable recommendations

6. **Follow-Up Consultation**

- Review findings and assist with implementation planning

DELIVERABLES

Each client receives a professional report that includes:

- Executive summary
- Detailed findings
- Risk prioritization matrix
- Specific security recommendations and implementation roadmap

DIFFERENTIATORS

Ocean State Protection Group stands apart through:

- Real-world experience (law enforcement & military)
- School-focused expertise
- Professional, non-disruptive approach
- Local Rhode Island presence
- Actionable, realistic recommendations

We understand that schools and religious institutions require security that is effective yet respectful of their environment.
